Directions to Mountain View Adventures

Going east on Highway 16 (coming from Prince Rupert, Kitimat, Hazelton)

Go through Smithers

As you are leaving town you go over a bridge crossing the Bulkley River

Turn left after the bridge on **Old Babine Lake Road**

Follow road about 10 km until you reach an intersection, (there are several roads turning off left or right, don't turn off before the intersection)

At the intersection turn left on Telkwa High Road

Follow until crossing the Driftwood Creek bridge

After bridge road forks, take a left (shortly after turn pavement ends)

Follow road about 3 km

Our driveway comes on the right hand side, # 17366 (two red brick posts with signs and lanterns)

Going west on Highway 16 (coming from Prince George, Burns Lake, Houston)

As you are approaching Smithers you are coming down a hill

Turn right on **Old Babine Lake Road** (If you cross the Bulkley River you went to far, turn and follow east directions)

Follow road about 10 km until you reach an intersection, (there are several roads turning off left or right, don't turn off before the intersection)

At the intersection turn left on Telkwa High Road

Follow until crossing the Driftwood Creek bridge

After bridge road forks, take a left (shortly after turn pavement ends)

Follow road about 3 km

Our driveway comes on the right hand side, # 17366 (two red brick posts with signs and lanterns)

Please Note:

Cars: Please drive up the hill and park at the parking lots below the flag post

Busses or Trailers: Turn left before hill and park at gravelled area

You can estimate 15 - 20 minutes driving from the time you turn off Highway 16. The road is generally well maintained all year around. Distance from Highway 16 to Mountain approximately 15 km or close 7 miles.
